

Crown-Judd

June 3, 2010

RE: **PRECISION PIPELINE EQUIPMENT, INC.**
253 Walnut Street
Houston, PA 15342

To Our Valued Customers:

Stream-Flo USA is pleased to announce the appointment of **PRECISION PIPELINE EQUIPMENT** as a non-exclusive Authorized Sales Representative of Crown, Crown-Judd, Crown-Europa, and Stream-Flo check valves and accessories. Precision Pipeline Equipment's technical expertise and many years of experience are a strong fit for our API-6D line of Check Valves.

Stream-Flo Industries Ltd. is a technological leader and world-class manufacturer and our products are supported by innovative engineering and outstanding quality assurance. Stream-Flo Industries is a privately-owned and operated Canadian company with head office and manufacturing facilities in Edmonton, Alberta.

Our full line of API-6D monogrammed check valve products include:

- Swing Check Valves from 1/2" thru 48" diameter and up to 2500# class
- Piston Checks
- Non-Slam Axial Flow Nozzle Checks thru 60" diameter
- Wafer Nozzles
- Wafer Checks
- A full line of check valve accessories

We are very excited about entering into this relationship with Precision Pipeline Equipment, Inc. to better serve the Ohio, Pennsylvania, Michigan, New York, West Virginia, and Kentucky markets, and we look forward to working together to improve the level of service we can offer to our existing customer base in this important geographical location.

Sincerely,

John Brown
National Sales Manager
Pipelines, Stations and Storage
