# Product Lines

## FMG
**Flow Meter Group**
- 1.5M—23M, 1-1/2”- 6”, ANSI 150# and 600# cartridge style rotary meters, mechanical and index drive options

## GREEN COUNTRY
**Filter Manufacturing**
- GFC and GFT dry gas and coalescing filters, tee and basket strainers

## KEBOTEST
**Process and Instruments Division**
- Model-1® steel gate valve, Polyball® polyethylene valves, steel ball valves, manifold valves, Innogaz® Electrofusion, Zunt Insulating Joints

## Perar
**Patton Myhre Sourcing & Supply**
- Perar API-6D Ball Valves, Wheatley Check Valves, Franklin Double Block & Bleed Plug Valve, SCV Expanding API-6D Gate Valves and Automation

## rotork®
**Fluid Systems and Controls Division**
- IQ3 electric, CP/GP pneumatic actuators, direct gas and gas over oil actuators

## rotork®
**Process and Instruments Division**
- CVA and CMA high resolution control valve actuator, K-Tork® vane actuators, Soldo® position transmitters and switch boxes & Fairchild® I-P & regulators

## rotork®
**Gears Division**
- Gears and stem extensions for valves vane actuators

## rotork®
**Gears Division**
- Gears and stem extensions for valves vane actuators

## VRG CONTROLS
- VRG Non Venting VPC Pilot Controllers, VMO Manual Control Valves, Globe and Rotary Style Control Valves, ST1-ST-4 Stealth® quite trim control valves

## J.W. WILLIAMS INC.
- Indirect line heaters, filter separators, separators, glycol dehydration units, production units

## Spectra Sensors™
- Tunable Diode Laser Moisture H20, CO2, OX5500 Oxygen and SS-2100 H2S Analyzers

## Pietro Fiorentini®
- Norval® direct acting & Aperflux® pilot operated flexible element, Reflux®-Reval® plug & seat top entry high performance regulators

## Shelleter
- Pre-engineered molded fiberglass buildings and enclosures. Turnkey shelter applications
Product Lines

**Pony and Mustang Sample Conditioning Systems, Analyzer Distribution Panels, Heated Regulators**

**Rupture Pin and Buckling Pin ESD valves, relief valves and safety shutoff valves**

**Z-4000 and Z5000 Stationary & Portable Hydrocarbon Dewpoint Analyzers**

**Brick LED Explosion Proof Lights for hazardous areas**

**Filter Separators, Absolute Separators, Vane separators and Cyclone Separators**

**High pressure grease guns, bucket guns and valve lubricants and accessories**

**Experience, reliable service to the energy industry since 1990**
